**Embracing Oneness...
Renewing Our Contemplative Life**

The contemplative journey is the ever increasing appreciation of who God is and also knowing that God is unknowable. Borrowing from the Psalms (Nan Merrill translation), scripture, chant and Sacred poetry, we will explore the Spirit of Oneness as it forms our contemplative life.

Journeying together we will explore how we can nod to consent. Bow to surrender. Release to receptivity and be blessed into effortlessness.

Susan Rush has been active in Contemplative Outreach for almost three decades. With a forty year career in non-profit health care, Susan has experience in various settings with faith communities, patients, staff and governing boards.

Her recent service in the world carries a strong spiritual care aspect. Her clinical pastoral education, certification through Shalem Institute, and Formation for Contemplative Service assist her in supporting others through spiritual inquiry. As spiritual director and retreat facilitator she enjoys companioning others in their search for the Holy.

Since we are holding this event at our Center, space is limited to 150 participants. **We encourage you to register early** and to plan on carpooling. We recommend registering online with your credit card at www.contemplativeoutreach-co.org or mail your registration form and check to Contemplative Outreach of Colorado, 3650 Yates St., Denver, CO 80212.
